

**LEGEND**

- x---x---x--- remains of wire fence
- stone wall
- n/f now or formerly
- brook

**NOTES**

Bearings refer to 1985 magnetic meridian.

This plan is the result of a staff compass and tape survey adjusted using standard surveying techniques.

This property is described in a deed from Elmer W. Fogg to Maurice Viens recorded in Oxford County Registry of Deeds. The westerly boundary of this parcel is the Town Line. The present owner proposes to exchange deeds with the abutters, creating the centerline of the brook as the new line.
